

Sports at BPCBA

BPCBA under the umbrella of Kadi Sarva Vidyalaya organizes various sports competition for students. Being a student of management and administration, it is quite important for him/her to interact with others, to understand his/her own thinking and reaction to various people and situations. Sports can provide a range of benefits, including physical fitness, improved mental health, and social connections. Regular participation in sports can help individuals develop strength, endurance, coordination, and flexibility, as well as promote healthy habits and reduce the risk of chronic diseases. Sports also have the potential to foster teamwork, communication, leadership, and discipline. In team sports, players must learn to work together and support each other to achieve their common goal of winning the game. This can help individuals develop valuable life skills that can be applied in other areas of their lives.

Sports teach various interpersonal skills such as patience, communication, leadership, punctuality, accountability, teamwork, trust, and others which help them not only to win a particular sports competition but also to grow and achieve the success in life. Irrespective of it being a team sport or an individual sport, one should interact with others, may it be competitors, fellow mates or coach, or anyone else. Such approach enhance the spirit of students as what the BPCBA does with all the students.

Sports festival is being organized every year by our renowned university Kadi Sarva Vishwavidyalay. Every year BPCBA students are participating in big numbers in various sports competitions and get declared as winner and runner –up. Brief statistics of students participated in various sports competition at University level are as under:

Process of developing interpersonal skills among the BPCBA students through Sports

- To create awareness among the students regarding their interest in Sports
- To find out the interested students in sports at the entry level.
- To groom students by organizing various sports orientation at college level and university level
- To encourage and guide students to participate in intercollege sports competitions organized by Kadi Sarva Vishwavidyalaya
