Ahmedabad, Heritage Walk

Different cities of Incredible India hold different cultures and its own stories of setting up that city. A Heritage Walk was arranged by IBS, Ahmedabad. The visit was from Mandir to Masjid..We had a brief review about the walk given by the guide. Firstly we visited the house of Kavi Dalpat ram, the great poet. The first sausage line, in India was built here. Than Kala Ramji Mandir, had rare black stoned statue. Every pol had a 'Chabutro. for feeding birds. One pol

was built with unque styles of building, with different combination of British, Mugal, Maratha architecture. End of the journey arrived that is Jumma Masjid "The heritage walk is reflection of our ancient Indian cultures and values of society in that time and are preseverd for us to have a glance of the olden era."
