

Placement Notice

Date: 15-01-2015

B. P. College of Business Administration has organised Campus Placement for **BBA alumni**. *Tax Technologies, Inc.* will conduct campus drive on **20/01/2015**.

Tax Technologies, Inc. is a technology-driven tax services provider and leading provider of internet based tax technology solutions. Tax Technologies, Inc. built Tax Series as a Web-native application to provide cost efficient solutions to large Fortune 500 Corporations around the globe. Further information about the company is available at www.TaxTechnologies.com.

B.COM/M.COM/ BBA/MBA/BCA/MCA alumni are eligible to apply for the job.

Tax Tech India Pvt. Ltd is seeking candidates for staff position to work full-time at their Gandhinagar office as part of Quality Assurance Department. As a quality assurance staff, candidates will gain considerable work experience working directly with the company's proprietary US tax solutions software and US staff.

Training will be provided and selected candidates will learn about Tax Series, US corporate tax, and how to manage the entire testing life cycle: Requirement Analysis, Test Planning, Test Case Development, Environment Setup, Test Execution, Test Cycle Closure, User Acceptance Testing, Regression Testing, and Automation Testing

Interested alumni are required to register their name to Prof. Margi Desai.
