

A time to bid goodbye to the batch of 2020-23. Farewell is celebrated not to just to say goodbye to the outgoing batch, as they step into a new realm of life. But is an expression of good wishes to students who are leaving an institution. It is organized to bid goodbye and good luck. It also a commemoration to celebrate all the good times together and wishing them the best for their bright future.

Farewell started with Ganesh Vandna presented by the Semester-II student Rathod Jigisha Kiran followed by the best wishes speech of Principal.

Principal addressed to outgoing batch narrating that BPCBA envisaged an all-around and balanced education based on sound intellectual, physical, moral and social formation. We at BPCBA nurtured students on the character formation and development of personality. Our goal is to transform students' life in to erudite, patriotic, law abiding and ceaselessly seeking excellence, with a deep concern for all especially the weak and the poor sections of the society. The learning from BPCBA will certainly enable students to stand in good stead in every situation. It will guide and make their life successful and happy.

Training and Placement Cell Head, Dr. Jayesh J. Tanna in his address to the outgoing batch re-counted that during the tenure of 3 years at BPCBA all the students have been provided with the necessary tools, academic, moral and spirituality to make the holistic development among themselves which will help to overcome the challenging task going to take place in future. He has put special mention to all graduating BPCBA students that remember, when you struggle, it is the struggle itself that will make you nobler and your life more meaningful. God upsets our plan only to set up his plan for us because we see our present and plan for our future. But He sees our future and plans our present. Be sure

of our interest and support always. In the last he narrated students saying that go forth and embrace your future with open arms, and enthusiastically pursue your own life- journey of discovery. Render dedicated service to humanity and live a happy and peaceful life. God Bless you all. Peters Suzan John, one of the final year students, expressed her feeling saying that it is a sad that we will be leaving our college now. BPCBA has been like the second home for us where we have spent most of our time. The teachers have been extremely kind and they always supported us throughout our learning phase. We cannot forget our Principal and professors who have created image of a highly disciplined personality in all of us. We must sincerely acknowledge their contribution in teaching important lesson of life, i.e. to be disciplined and self-restrained. Pradhanani Sagar, Mahi Modi, Smit Kavi, Mahi Pipaliya, Shrushti Patel and Shah Malhar of outgoing batch shared their experience with their juniors by saying that we learnt such important lessons of life in such fun and pleasurable way. We also promise, we would always live by the spirit of the precious knowledge we have acquired here and would inspire everyone to follow these basic rules of life. To my juniors, I would like to say ‘participate in each and every activity, the teachers and the BPCBA authority plan, as you would not only learn many things practically, you would also become good human beings. Juniors have presented various cultural performance based on various themes and message to convey goodbye to seniors for their beginning of the beautiful corporate life ahead.
